

# Agreement Konsterud trolley station

## Traffic and Safety

Trolley counts as a vehicle in traffic, just like a car or a bike on a road. The driver of the trolley is responsible and must have taken note of the current rules. You will go over roads and meet other trolleys on the course, it comes to observing great caution.

- Follow the instructions and additional information provided by the staff and on billboards along the track, to prevent derailments, injuries and material damage.
- Trolleys are heavy and can achieve high speed. It can lead to severe damage if, for example derailed.
- Trolleys have long braking distance - brake in time. Make the stop sign to pay attention behind the trolley.
- Keep a distance of 20 meters between the trolleys

- Trolleys shall not be connected or linked together
- Stop applies to trolley riders at all road crossings. Get off and walk across with the trolley.

- No alcohol or drugs may occur in connection with trolley rides!
- The track is normally cleared, but twigs, stones and debris may occur. If you find such obstacles on the track, we are grateful if you stop and remove it. Report severe obstacles to the staff.
- **It is your personal insurance cover that applies if damage occurs. You may be charged for negligence.**
- There must be an adult in charge of each trolley when children under 16 travels. Children should be big enough to keep themselves on the bench. Children under 5 years old must have an adult sitting next to his bench. **Use of a helmet is strongly recommended.**
- Please bring your garbage back to Konsterud trolley station.
- Dogs are due to the risk of accidents not allowed on the trolley nor the track.
